

ACCOUNTING

A STEDY Certificate Program

PROGRAM DESCRIPTION

This program will equip graduates with the essential skills required for an entry level job in the accounting industry. The required accounting and business courses are designed to meet the growing demand for competent accounting personnel in both the private and public sectors.

JOB OUTLOOK

Employment of Accountants and auditors is projected to grow 11 percent from 2014-2024, about as fast as the average for all occupations. In general, employment growth of accountants and auditors is expected to be closely tied to the health of the overall economy. As the economy grows, these workers will continue to be needed to prepare and examine financial records.
